## Third Annual Scarecrow Festival

The Village of Barrington, in cooperation with the Chamber of Commerce, the Barrington Village Association, and the 'Our Town Barrington - Volunteers', is planning the 3rd annual Scarecrow Festival. The Scarecrow Festival has been a huge success the past two years, with the Village achieving their goal of creating an exciting, enticing and fun environment for the entire community. Both businesses and residents are invited to participate in this event. Beginning the Week of September 29th and lasting through the end of October, Scarecrows will be appearing at businesses and homes all over Barrington. Votes can be placed for the 'People's Choice' award at several locations throughout Barrington. Many of the businesses will be sponsoring their own special events.

On Saturday, October 18th, a community event will be held featuring several family-fun activities. Complimentary cookie decorating and scarecrow decorating, among other activities will be held throughout Barrington. A detailed calendar of events will appear in the October Village Newsletter.

The Village encourages residents to organize their own neighborhood contests and submit entries 'as a group' to the area voting locations for their Scarecrow decorations.

2002 Scarecrow Festival Winners – top to bottom:  
Richard Honquest Fine Furnishings; D2 Group;  
Wright & Steltenpohl, DDS

For more information, contact Colleen Nigg at 847/304-3412.

## Memorial Park Dedication

The President and Board of Trustees of the Village of Barrington cordially invite you, your family and friends to attend the dedication ceremony for the BARRINGTON MEMORIAL PARK on Thursday, September 11, 2003 at 8:45 a.m. on South Hough Street (the former

Barrington United Methodist Church site). Please gather by 8:30 a.m. so that the ceremony can begin promptly.

# Barrington Hydrant Flushing Schedule

The Utility Division of the Public Works Department conducts a semi-annual flushing of the water distribution system to eliminate as much mineral content as possible from the water supply. Fire hydrant flushing removes a considerable amount of the loose mineral contents and “settleable” solids that accumulate in the water supply system.

Fire hydrant flushing operations are conducted during the evening hours between 10:30 p.m. and 7:00 a.m. in order to eliminate some inconveniences such as potential low water pressure and discolored water. Customers may still experience a short period of discoloration during flushing and shortly after. Though water may be discolored, it is safe to drink. However, until the water runs clear, it is advisable to avoid washing clothes, especially white fabrics.

## Chipper Program

**North of Main Street – October 6**  
**South of Main Street – October 13**

On the Monday morning of the 6th or 13th, have all chipper material out to the curb by 7:00 a.m. The Chipper will make one (1) pass through your neighborhood.

Branches may be up to 10" in diameter and at least 4' in length (the longer the better). Stack branches neatly, in a long low pile on the parkway, with the cut end facing the curb. Remember, Public Works crews cannot pick up material on private property.

The following items cannot be picked up: root balls & stumps; any building materials including lumber, metal, fencing; anything with nails, wire or bolts; any material placed in a box or garbage can; grass, leaves, or material other than woody branch material.

### AREA I

Northwest Highway south to Hillside Avenue.  
Northwest Highway west to Lageschulte Street

- Sunday, 9/21, from 10:30 p.m. to Monday, 9/22, 7:00 a.m.;

## Village Vision

**T**he Vision of Barrington is to preserve and promote its unique small town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

The Community is committed to preserving the quality of its neighborhoods, the quality of education, and the diversity of leisure time activities. The community is dedicated to fostering an easily-accessible center of activity for the Barrington area, maintaining a prosperous economic base, protecting its extensive natural resources and promoting public participation and communication.
